

PHC Research Institute presents

2017 Research Day

Friday, June 9, 2017

9:30AM - 1:00PM (Doors open at 9:00AM)

Le Versailles Ballroom A&B, Sutton Place Hotel

PHCRI invites all PHC researchers and staff to this annual celebration. Join us for a research update from Dr. Paul Man, President of PHCRI, keynote address by Dr. Julio Montaner, Director of BC Centre for Excellence in HIV/AIDS, and the announcement of the 2017 Research and Mission Award recipient.

Keynote Speaker:

Dr. Julio Montaner

Director, BC Centre for Excellence in HIV/AIDS

“Expanding HIV Treatment as Prevention to other contagious diseases - A key to health care sustainability”
